“When you sing, nuances escape from your lips that are both breath-taking and captivating. The sounds filled with a vintage richness that has not been given to everyone. The way you weave your words together is exquisite and feels like you have looked into the soul of each individual that sits in front of you. You have captured the universal story-- the universal need.

PARKER OUTREACH INTERNATIONAL

Kelita was one of several artists taking part that day and I count it such a privilege to have had the opportunity to meet her and to have had the chance to hear her ministry in music and drama along with a powerful testimony of God's grace in her life. She is a lady of many outstanding talents with a real heart for ministry. The Ladies loved her and there was laughter and tears as she shared throughout the day.
