TO WHOM IT MAY CONCERN

I have had the privilege of working with "Kelita" over the last year in several events. I have been impressed with her heart for God, desire to share her life story so others are introduced to the Lord, and her standard of excellence in all she does.

She has a unique ability to draw the audience in as she shares very simply but profoundly of her difficult past, her spiritual journey, and how God is now working in her life. Her music is sung from her heart; her personal testimony is clear and communicates powerfully to non-Christian and Christian alike; her desire is to be used by God to see lives changed with the gospel.

As part of the two week "Power to Change" media campaign that was recently held in southern British Columbia and northern Washington, Kelita was involved in a number of outreach events. Over 100 individuals came to faith in Christ as a result of her sharing her personal journey of faith. God also used the song she wrote for the campaign to challenge Christians to reach out into their sphere of influence and share how they found the power to change through Jesus Christ.

I believe God is using Kelita in a unique and powerful way.

Sincerely,

Barry Bowater
Vice President;
Canadian Field Ministries
