

THE GOVERNOR GENERAL
LE GOUVERNEUR GÉNÉRAL

RIDEAU HALL
OTTAWA

April 27, 1992

Dear Miss Haverland,

It is indeed fitting, at this important juncture in Canada's history, that you should have contributed towards the production of two exciting new versions of our national anthem. I wish to take this opportunity to personally commend you for devoting your time, energy and talent to this important project. I am certain that this new vehicle for the collective expression of the pride and love we feel for our country will be warmly received by Canadians across the country.

Your contribution to the celebration of Canada Day is a much appreciated and highly appropriate one as the new versions of "O Canada" are a vital element of our recognition of the 125th anniversary of our country's birth. As Governor General of Canada, I thank you on behalf of all Canadians.

Yours sincerely,

Ramon John Hnatyshyn
