Dear Kelita,

What a pleasure to meet and work with you at our annual convention in London this past March. Your involvement in CBA Canada was so appreciated by everyone there. Our booksellers and suppliers are enriched by meeting the artists they promote.

We are very grateful that you took the time to come and minister at the Artist Showcase. We had a tremendous sense of the presence of the Lord during our Convention this year. Bless you for being open and obedient to His leading as you shared your heart.

Thank you again Kelita for taking the time out of your busy schedule to enrich the business and ministry of CBA Canada.

Sincerely,
