Dear Friend in Ministry:

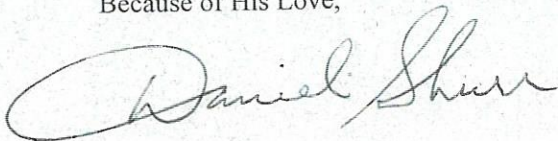

I would like to take this opportunity to introduce to you Kelita. She is a gifted and dynamic singer/songwriter with an incredibly powerful and moving testimony. Kelita desires to be available to God to be used in ministry and I would highly recommend her to you.

She is an active member here at City Centre Baptist Church in Mississauga and her contribution to our worship teams has been invaluable. Kelita has also performed concerts for the entire congregation and special ladies events which have proven to be very successful outreach opportunities, showing large numbers in attendance.

With her highly acclaimed CD release "Lucky Ones" her visibility on the CMT Video Network and national radio airplay she is fast becoming one of Canada's brightest and newest crossover Christian artists. Her husband Gord and delightful son Keldon support her wholeheartedly in ministry.

I would highly encourage you to invite Kelita to provide your church or conference with an opportunity for blessing and outreach.

Because of His Love,

Daniel C. Shurr
Pastor, City Centre Baptist Church
