

## CRISIS PREGNANCY CENTRE OF OTTAWA

29/04/02

To whom it may concern:

On Saturday, April 27<sup>th</sup>, our organization held an annual fundraiser. We were so privileged to have Kelita with us for the evening. Kelita is herself and instrument of praise! Not only did she minister with her powerful songs and beautiful voice, but she also brought the whole audience together with her very unique comedic act. We praised Him then we laughed together and then we sat spellbound by her testimony. Kelita has a very natural and graceful way of sharing the deep valleys she has crossed in her lifetime. Kelita connects with her audience and very definitely communicates God's love, grace, and healing power.

It was our pleasure to have Kelita represent our ministry, she did so effectively and eloquently. Don't miss the opportunity to be "fully" blessed by this incredible minister for our Lord.

Blessings,
