Dear Kelita:

I would like to take this opportunity to thank you for coming as our guest on the "100 Huntley Street" telecast. Your willingness to be transparent, sacrifice of yourself in a society where time is so precious, and desire to serve our Lord and Saviour Jesus Christ are deeply appreciated. We appreciate you sharing your personal testimony along with your ministry in music.

I am always looking for potential guests for the program and would appreciate any suggestions you might have. As the Lord prompts you, feel free to drop me a note with their name and address and I will follow up with a letter from my office. Thanks so much.

"... being confident of this very thing, that He who has begun a good work in you will complete it until the day of Jesus Christ;" Philippians 1:6
