Dear Kelita:

It is my pleasure to invite you to participate in a tribute to Canadian Country Music at the House of Commons on Wednesday, June 2, 1999.

This event will be part of the *Speaker's Distinguished Canadians Initiative* which was established in February 1995. Under its auspices, I invite Canadians who have pioneered and excelled in country music to sit in my gallery to view the daily Question Period. At the end of the Question Period, I present my guests to the Members of the House and then host a reception in their honour.

As your performance shows, you have certainly excelled in your field and Canadians across the country are proud of your achievements.

On this special occasion, I am therefore asking you to attend from 1:30 pm. until about 4:00 pm.

If you accept this invitation, my office will send you additional information about the day, including the option of a special tour of Parliament before Question Period.

Please contact my assistant, Marie-Josée Entwistle, by telephone at (613) 992-3125 or by fax (613) 995-4253 to let us know if you will be able to join me.

Kindest regards,

Gilbert Parent
