Ms. Kelita Haverland
#3- 7067- 189 St. Surrey
BC V4N 5M9, Canada

Dear Kelita:

Now that things have settled down since the women's health conference I wanted to take time to thank you for your outstanding performance during your keynote at the 22nd Annual North Country Women's Health Conference.

Each year nearly 400 women attend this conference to learn about ways to be well and stay healthy. A big part of the conference is the keynote speaker! Our goal is to offer a keynote that provides a lively, funny, uplifting performance, and has a genuine message that each person in the audience can take home. Your performance did that and so much more.

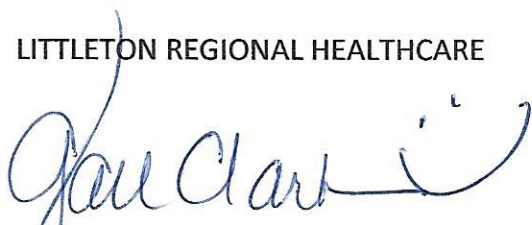

The audience was completely engaged throughout your one hour performance. As I sat and listened I watched the audience and I don't think there was one woman in the room who was not laughing, clapping and taking in everything during your performance. I spoke to a woman the other day who attended and she said to me, *"I loved Kelita! She sang so beautifully, was extremely funny, yet she made me feel like I should never give up on a dream and that no matter how old I am, or what life circumstances I am facing, it's never too late to fulfill your dream. Please bring her back again!"*

This is just one of many comments we received from attendees. (Please see attached testimonials.)

As promised, here are the CDs leftover from the event. We've also included the ingredients for a "fluffer nutter." So you've got to promise that you will try a little of each on white bread put together as a sandwich, with a big glass of ice cold milk! Or, peanut butter and fluff is even better on Ritz crackers!

Sincerely,

LITTLETON REGIONAL HEALTHCARE
