To Whom it May Concern:

I consider it a privilege to write an endorsement for Kelita and her ministry. We have hosted her on two separate occasions in our community and church. It was extremely effective both times.

Whether it is a venue for speaking to women, addressing a mixed audience or a church, she has a God-given grace to communicate the love and acceptance of Christ in a life-changing way. Kelita has a profound ability to lighten you with laughter, and then fill you with hope as she addresses some of life's deepest issues. Drawing from her own personal experience and the timeless, unchanging principles of God's word, she leaves you with a genuine hope that with God, "all things *are* possible", and that through Him we receive the POWER TO CHANGE!

Kelita is adept at toning her communication (in words and music) to be successful in a wide spectrum of events. In churches, prisons, community outreaches, or at para church specials, she reaches the heart of her listeners.

Sincerely,

Don Curry
