Dear Kelita,

We are absolutely thrilled that Weekenders Canada Inc. had the honour of having you perform at our 2001 Managers Conference at the Muskoka Sands resort. Our Managers have not stopped talking about you. You are a wonderful performer.

You have touched so many of us who had the pleasure of hearing you perform. You will be remembered as a highlight of our Conference.

Thank you so much for sharing your talent with our Management Team.

Warmly,

Jill
