Dear Kelita,

Now that I have warmed up enough to get the fingers moving over the computer keys, on behalf of all of us at the 1997 Special Olympics World Winter Games, I would like to send you our deepest thanks and appreciation for your involvement at the Closing Ceremonies last week.

Your terrific rendition of "We Can Do Anything" was a hit of the evening and I'm sure you could feel the joy and enthusiasm it inspired in the Athletes.

I know that you interrupted your holiday to join us in the cold on Saturday, I can only hope the experience kept you warm, your presence certainly did that for the audience.

On behalf of the Special Olympics athletes, coaches, family and friends participating in the 1997 Games, thank you for your performance, your talents and the interest you have demonstrated in Special Olympics.

The 1997 Special Olympics World Winter Games were a huge success, and the Ceremonies reflected the love, the dedication and the commitment of each of those who donated their time and their talents.

Once again our heartfelt thanks,  
Kindest regards,

Janice Petley,  
Producer, 1997 Games Closing Ceremonies.
